--

It is not recommended that cadets bring cellular devices as there will be no use for them during training hours, and there is a high chance of them being lost or damaged. Should you choose to bring them, neither 221 Patriot nor 53 Barrie will be held responsible if it is damaged or lost. It is expected that cellphones are not to be used during training hours.

DO NOT BRING any knives, weapons, lighters, explosives, pornographic materials, non-prescription drugs, cigarettes, vapes or related products, or illicit drugs. Any of the above items may be confiscated by staff members if found in the possession of a cadet. Police action may be involved in serious cases.

Prescribed drugs are to be labeled and handed to the first aid officer prior to departure.

A hair tie is required for Cadets with long hair as there are some activities in which loose or baggy clothing or long hair may get caught and can potentially cause injury.
