

# PATRIOT PATISSERIE

## FUNNEL CAKE

pancake mix, vanilla, vegetable oil, pot to cook in

## BERRY COMPOTE

berries of your choice, (frozen mixed berries are best)  
sugar, citrus juice (lemon or orange), pot to cook in

## CAUTION

we will be working with hot oil, make sure you have  
your parents permission or supervision to do this.

having a thermometer to test your oil is a good thing  
but not a necessity. make sure you have oven mitts  
and a container that you can pour the mixture into the  
oil. you will need something metal to flip the funnel  
cakes in the oil and remove them, tongs work best.
